Short Office Note.

*Subject Letter no 67 dated the 23rd October 1902 from the President of the Municipal Commission, Mysore City, recommending grants-in-aid to Hakeems Ghous Lah & Abdulla Lah unani doctors maintaining private dispensaries in Mandi Mohalla of the City

Note

The Municipal Board of the Mysore City recommend a grant in-aid of Rs 15/- a month to each of the two unani doctors, Hakim Ghous Lah and Hakim Abdulla Lah, who maintain private dispensaries Mohulla of the City

2. In submitting the resolution for the consideration orders of Government the President states in the above letter that the an unani dispensary attached to Lucknow Hospital of the

which is located in the Devaraj Market premises at a distance of about a mile from Mandi Mohalla, that the Civil Surgeon of the District, Dr. Abdulla Rao, bears testimony to these two interesting gentlemen taking an interest in the treatment of plague cases in the Mohalla, that the Municipal Commissioners of the Mohalla urge that as there is a large Muhammadan population in that Division, facilities should be afforded to these people in the shape of medical relief at short distances and that as those seeking relief at these dispensaries are poor a Board hope that by giving a grant-in-aid, viz Rs 15 each, they will not be out of pocket in regard to the cost of medicine. The President adds that as there is no provision in the Budget for these charges, & the same may be met from the Municipal Funds and District Funds in the proportion of 1/3 & 2/3 respectively as in the case of the

Medical Institutions in the ~~City~~ City.

The following are the Medical Institutions in the City receiving contributions from the Municipal and Distt: Funds:-

I Branch Dispensaries — Funds.

(1) Old Agrahar,

II Indigenous Hospital — 1/3 Municipal & 2/3 L. F. Genl.

IV Krishnajattappa's Hospital } Rs 180/- from Mc Fund & Rs 240/- from D. Funds.

---

2 The finances of the Board are low and it is apprehended that when the excess expenditure of over Rs 37,000 incurred on works by the Vice President during 1901-02 is ~~thereby~~ sanctioned, there would be a debit balance against the Municipality. The papers relating to this excess expenditure (President's letter no 32 of 4th Sept: 02)

were submitted to the Dewan on the 5th

6 Submitted for orders. If approved the President may be asked to ascertain the wishes of the D. J. Board, Mysore who have not yet been consulted in the matter. The cost will, if sanctioned have to be debited to municipal and District Funds in the proportion of 2/3 and 1/3 respectively and not 1/3 & 2/3 as proposed by the President.

5 Rej 7/11/02 In this office docket no. 9060/1779-92 dated the 22nd November 1902, the President was requested to state the nearest dispensary or Hospital to Mandvi Mohalla and its distance from that locality, and a plan showing the relative positions of the dispensary or Hospital with reference to the private dispensaries maintained by the two Hakeems was called for

6 In submitting the plan (letter no. 96 & d. 12.'02) the President reports that Hakeem Abdulla Lah has since died of plague and solicits early orders in regard to the Board's recommendation for

a grant-in-aid of Rs 10/- to Hakeem Gonse Lal whose private dispensary is stated to be at a distance of 3½ furlongs from the Devaraj market in which the Indigenous Hospital and the Govt. Unani Dispensary are located, and at about 2 furlongs from the Civil Hospital.

7 The President's proposal is to apportion the cost between the Municipal and District Funds. May the enquiry suggested in para 6 supra be now made?

Of the two Kathiri recommended, one is dead - On the under-standing that the other is really useful and that the Boards concerned are willing to contribute 2/3rd and 1/3rd respectively I have no objection to the orders proposed - It is not clear why in such cases the District Food Board should pay - Nor is it clear how without consulting the Municipality we can ask it to pay 2/3rd instead of the 1/3rd it offered -

They have however agreed

In connexion some-how we may add that the quota payable in 2/3 shot 1/3 it is presumed that the Board are agreeable -

23. The President of the Mysore City Municipal Commission recommends as resolved by the Board, the grant of an allowance of Rs 15/ a month to one Khaji Hakim Mahammed Khan, Devaraja Mohalla, Mysore City, on the ground that he is a specialist in the treatment of infantile ailments. If this is sanctioned one-third of the charge has to be borne by the Mysore District Board, as in the case of similar allowance sanctioned to Hakim Mahammed Ghouse Sahib in Govt Progs No 1387-3 dated the 17th March 1903. It is not known whether the District Board were consulted and they agree to this charge. The President has not pointed out the source in the Municipal Budget from which the charge may be met in the current year.

Hakim Ali Peer ~~Khan~~ Sahb As the President has made the point out the source in the Municipal Budget of the current year to meet the Municipal quota of the charge he was asked to make provision on this account in the ensuing year's budget and await orders thereon.

25. As Khaja Hakim Mahammed Khan's Unani Dispensary is only about 1½ furlongs from the Unani Dispensary attached to the Indigenous Hospital and as the Municipality is not in a position to bear such extra expenditure, the propriety of adding a fresh burden to the low finances of the Municipality seems doubtful. The President may, if approved, be informed that such proposals involving additional costs should not be submitted until the Municipal finances are improved.

To,

Respected Sir,

The Government were kind enough to sanction a monthly grant of Rs 15 to my dispensary to meet the charges of Medicines tentatively for a total period of one year and the same communicated to me in your honors Nos. L.Dis 584 and L.Dis. 1688/1533 dated 29.10.96.6.98 respectively, as the above period expires on 6th November 98, I humbly pray your honor to be so kind as to order the continuance of the grant permanently further.

I also beg to bring to your honors notice that the above grant of Rs 15 is not even sufficient to meet 1/4 of the medicines required.

The patients on the other hand will not think of paying anything as it is known that it is a Government institution. The cost of maintaining a Compounder and servant is also an extra burden upon me.

As per details given in my monthly reports a large number of patients are treated as per instruction of the Superintendent of Sudhagunna Hospital Mysore and the work is carried out in a very large scale & the best of his satisfaction.

In conclusion I humbly beg your honor to be so kind as to recommend for the increase of grant equal to the one given to the municipal Unani Hospital Devaraj Mohalla Mysore

Hoping that your honor will in the
interest of publice good kindly grant
my request

I beg to remain

Sir,

With reference to G.O. no 6221-3 / L.F 275-96 of the 19th November 1898, I have the honour to state that the period of six months for which the allowance of Rs 15 per mensem was continued to Syed Mustapha Hakim at Mysore, expired on the 6th May 1899. The Hakim presented a petition dated 19th April 1899 to me praying that the allowance may be permanently raised to Rs 30 per mensem. The petition was ref-

referred to the Superintendent of the Indigenous Hospital at Mysore, for inspecting the Hakim's dispensary and furnishing his opinion on the usefulness or otherwise of the institution to the public. The Superintendent in his letter no: 129 of the 12th June 1899 (copy enclosed), says that he paid some surprise visits to the Hakim's dispensary and that he found a large number of patients attending it. He further recommends that the amount of the present allowance may be increased by Rs 5 and that the services of a compounder on Rs 5 may be allowed to him. The

proposal was discussed by the Local Fund Board at its meeting held on the 28th June 1899, and it was resolved that the present allowance be continued to him as long as the institution continues to be popular and that the services of a compounder on Rs 5 per mensem be allowed to him. An extract from the Proceedings is herewith submitted. I request that early sanction of Government may be obtained The cost will be provided in the revised Dist. Fund budget for 1899-1900.

Sir, With reference to your docket no:
1907 dated 24th May 1899, forwarding the
the application of Syed Mustaphe Sahib
of Mandy mohalla of the Mysore city
for report, I have the honour to state
that on both the occasions, that I paid
surprise visits to Syed Mustaphe's
Dispensary, I found a large number
of patients attending it, especially the
Mohamadans The register which he
has kept in his dispensary shows the
daily attendance varying from 90 to

No 110, and he has been submitting every month the usual return showing the total number treated and the average daily attendance of his dispensary.

On enquiry, I was informed by the respectable Saits and Mohamadans of the Nandy Mohalla, that the dispensary was very useful and the Hakim very popular. I learnt further that the Hakim had successfully treated several cases of Plague during the Epidemic.

As regards his qualifications, I find that he has a pretty good knowledge of drugs in use in the Unani medi-cines and knows the treatment ac-cording to that branch of the Science. From the large stock of medicines that he

he has on hand, I am of opinion that the grant of Rs 15/- now given to him is quite inadequate, and with the two occasions I visited his dispensary I found he was badly need of the services of a Compounder. I would therefore recommend an increase of Rs 5/- to his present grant and the services of a Compounder on Rs 5/-

On the whole I beg to say that Syed Mustapha is very popular and a conscientious man and as belonging to a respectable family deserves the encouragement recommended.

Office of the President of the Local Fund Boards of the Mysore district

Dated Mysore 4 July 1900.

From The President of the Local Fund Boards of the Mysore district

To The Secretary to the Govt. of Mysore Revenue and General Departments.

Sir,

With reference to G O no. $\frac{5710-1}{R F 275-96}$ of the 29th November 1897, declining to grant an allowance from the district Fund to Syed Mustapha, I have the honour to state that the government order in question as well as a petition dated the 19th January 1900 from the mahamadan inhabitants of the Mysore city regarding the continuance of the allowance was placed before the district Fund Board at its meeting held on the 23rd January 1900. Rao Bahadur Annaiyya Gowda, who had paid several unexpected

unexpected visits to the Hakim's dispen-
-sary, found that the Hakim was very
useful for the Mahamadan patients
and hence it was resolved by the
Board that a grant of Rs ten be re-
-newed from the district funds provid-
-ed the city Municipality, makes
a similar grant. But the Municipal
Board resolved that they were unable
to bear any extra charge for want of
funds.

2. The Hakim is very useful in
treating the Mahamedan patients,
especially the gosha ladies. Under the
above circumstances, it is necessary
to encourage the Hakim whose services
have been most benificial to the
large

large Mahammedan population in the city. The cost of the Indigenous Hospital at Mysore is met from the Municipal and Local Funds General. I therefore request that you will be so good as to obtain the orders of Government for paying an allowance of ₹ 20/- per mensem to the Hakim, half the cost being debited to the District Fund and the other half to the Local Funds General.

3. Extracts from the Proceedings of the District and Municipal Fund Boards are herewith submitted.

It was explained by Mr Ambale Ananjya Pantulu

member that most of the Mahamedan population of the city freely resort to his dispensary, and that the Station is very useful in treating the Gosha patients. Sir,

I have the honour to submit for the consideration and orders of Government the accompanying resolution of the Board sanctioning a grant-in-aid to Hakim Gouse Saheb and Hakim Abdula Saheb, Unani Doctors who maintain private dispensaries in the Dhunde Mohalla. There is an unani dispensary attached to the Indigenous Hospital

Such is located in the Devaraj Market premises at a distance of about a mile fr Ammdi Mohalla. The Civil Surgeon of the District — Doctor Atchyuta Rao bears testimony to these two Hakims — interesting themselves in the treatment of plague cases and the Mohalla — Commissioners urge that as there is a large Mussalman population in Ammdi Mohalla, facilities should be afforded to these people in the shape of medical relief at short distances. The Commissioners also assure the Board that the Hindu inhabitants of the Mohalla are also frequenting these dispensaries As most of those seeking relief at these dispensaries are poor, the Board hope

hope that by giving a grant-in-aid viz Rs15
to each of these Unani Hakims, they will not
be out of pocket in regard to the cost of medicines
there is no budget provision to meet these ex-
charges. As in the case of other medical ex-
institutions in the City, I beg that the amount
of this grant-in-aid may be apportioned
between the Local and Municipal funds in
the proportion of 2/3rds and 1/3rd respectively
